kevinm@emergencygroupsoffice.com

www.emergencygroupsoffice.com

Emergency Groups' Office provides a full range of billing and coding management services to emergency medicine groups and hospitals. Registered nurses experienced in emergency medicine, and knowledgeable in reimbursement, accurately code the services provided by the emergency physician. The company, started in 1990, continues to provide superior results as demonstrated by the fact that Emergency Groups' Office bills for more than 2,300,000 visits annually for clients in eight states. For more information contact James Blakeman (jim@emergencygroupsoffice.com).

At Pfizer, we apply science and our global resources to improve health and well-being at every stage of life. We strive to set the standard for quality, safety and value in the discovery, development and manufacturing of medicines for people and animals. Our diversified global health care portfolio includes human and animal biologic and small molecule medicines and vaccines, as well as nutritional products and many of the world's best-known consumer products. Every day, Pfizer colleagues work across developed and emerging markets to advance wellness, prevention, treatments and cures that challenge the most feared diseases of our time.
